YMT

Healthy Hubs

# YMT HEALTHY HUBS

## Project Introduction

- **“YMT Healthy Hubs”**, subvented by Community Investment and Inclusion Fund (CIIF) is commenced from Jun, 2020 to May, 2023. It is implemented in the Yau Tsim Mong District to continue the impact of YMT Joyful Hubs. “Health” is the key point of intervention. The collaborative model of "Residents-Community-Medical-Business " is adopted to gather the strengths of community stakeholders to contribute to the mental and physical health of **low-income families and poor elderly**.
- In addition, through the role transformation and active participation in the community and different activities, the participants will be facilitated to become the volunteers so that a self-help community network is built. The Project also actively promotes cross-sectoral and multi-disciplinary professional collaboration, not only to give full play to their strengths, but also to demonstrate the spirit of complementarity and promote a culture of reciprocity.

**If you are interested, you can check the eligibility of YMT Family Hub or consult our project social worker Miss Sherry / Miss Carmen**

## “Together We Share Nutritional Dinner” Program

Use assessment of habits of diet and exercise as indicators, and apply the "Ten-minute Mutual Help Circle" strategy (residence distance within a ten-minute walk) to match “Community Healthy Ambassador” with deprived families and elderly who is lack of care or frail. A nearest neighborhood support network among families and elders in need is established.

**Upcoming action: Food pack and hot vegetable soup**

## Group Buy with Community Members

In order to relieve the economic pressure of deprived families and elderlies, volunteers would search for products and services at significantly reduced prices. Our volunteers will help to organize and distribute this collective buying. It is expected that a mutually beneficial support network will be built.

If you are interested, we will add you in the Whatsapp group and receive the latest group buy information.

**Upcoming group buy: Masks & Fruits**
