Since the epidemic has lasted for more than a year, our colleagues have always worried that they and their family members or even our DCC members will be infected. Recently, the district where our centre belongs to has become a high-risk area, and we become more anxious. Thank you, Lord for giving us a perfect team of staff who stick to their posts every day, overcome all fears with confidence and strength, and take care of the elderly. 2. Recently, the health of some of our members with chronic diseases has deteriorated, and we are sad to hear that a few members have passed away. Dear Lord, please comfort us in your arms, fill us with incomparable peace, and let each of us understand and serve our elder friends well in accordance with your will. In the name of the Lord, Amen!

May our Heavenly Father grant this family wisdom and peace of mind and protect this new life. 2. Pray for an N3 student who fell and hurt his right foot at home and his wound needs a cast. May our Heavenly Father heal this young child and bless him with speedy recovery.

Week 4

Date	Prayer Topics
25/03	<p>THURSDAY WORLDWIDE PRAYER MEETING Denmark and Greenland Territory TC: Lt.-Colonel Christina Jeppsson CS: Major Jan Risan <i>Officers 81(A35/R46) Corps 23</i> <i>Sr Soldiers 797 Jr Soldiers 9</i></p> <p>Petition</p> <ol style="list-style-type: none"> Thanksgiving: Please join us in our thanksgiving to the Lord – To date we have had very few of our staff, among officers and members affected and sick with Covid-19. Therefore we have been able during (and still ongoing) the pandemic to provide ministry - spiritual as well as hands on in social assistance - on same level as before. Despite the difference, the reach out is almost the same. For that we are both humble and thankful for the Lord’s protection. We pray that we will come out not weaker but even stronger in faith as the Lord is merciful. Pray for “the return”: An urgent prayer request - that once it’s possible to meet in real life we will be able to again gather our children, youth and families. The Children and Youth department works hard to maintain contacts by creating web-based events as well as ongoing teaching and creative materials for small groups to meet virtual. We pray that this creates a longing for a return to physical interactions and worship again when possible. Although we have been able to meet for physical worship it has been under strong restrictions and is difficult to adjust for children and youth work, as this age group hasn’t been able to see and meet each other and leaders for a long time now. Pray for “the return”. The territorial strategic mission plan (2020-2024): Please join us in prayer – that we will remain true to, and embrace what’s in and behind the words “to bring Hope and Life in Jesus”. Behind the overall mission statement there are a few key identities as well as key areas we target. We pray for wisdom as processes start up and/or continue. We pray for persistence in and trust that “the good work that (the Lord) has begun will carry on...” The call to mission, workers for the kingdom: We are happy for prayer support in the upcoming focus – “find and accept Gods calling upon your life”. The need of workers, officers and committed soldiers/members for Gods kingdom is urgent. We seek God’s creativity in this matter. The Salvation Army at Greenland: We are thankful for your prayer support – as we take next steps forward with the ministry in Greenland. It was established in 2012 and has continuously developed. The work has developed into a beautiful (little) corps with an integrated vibrant social centre giving outstanding support to various needs including spiritual. Just half a year ago we were finally able to identify a youth worker working alongside with the corps officers. We pray for a “breakthrough” for the gospel for all generations, not at least among youngsters from vulnerable contexts. The use of drugs is unfortunately high so the mission statement ‘bringing hope and a new life in and with Jesus’ is most relevant.
